

LANDSCAPE & MAINTENANCE DIVISION

Greenscape Inc. is recognized as a leader in irrigation and landscape maintenance services. From regular maintenance and water management, to irrigation and tree care, we can handle every aspect of landscape management, drawing upon our deep experience to serve a wide range of customers from private and public golf courses, resorts, and public spaces to shopping malls, municipalities and private residences.

In Greenscape Inc. we know that one of the most important aspects of landscape and maintenance isn't just growing trees and flowers, is growing relationships. Since 2001 our understanding of our clients needs has helped us maintain a long-term relationship and most of all a high degree of satisfaction.

SOME OF OUR SATISFIED CUSTOMERS INCLUDE:

- Costa Caribe Golf & Country Club - Ponce P.R.
- Caribe Hilton Hotel - San Juan P.R.
- Westin Dawn Beach Resort - St. Marteen USVI
- The Ritz Carlton St. Thomas - USVI

- IPR Pharmaceuticals - Caguas P.R.

IRRIGATION DIVISION

If you are in need of an irrigation system evaluation, golf course design, installation, management service or any other professional irrigation related services, Greenscape Inc. is the only highly qualified company on the island to offer a serious, professional and reliable answer to your irrigation needs. Besides, we are the leaders in golf course, soccer and baseball irrigation.

Supported by extensive knowledge base and industry professionals, at Greenscape Inc. we provide assistance in developing an efficient irrigation program tailored designed to support all your expectations. All our designs fit every irrigation need from stadiums, farms and public or private properties to landscaping and residential spaces.

SPORTS FACILITIES DIVISION

With years of experience in the sports facilities industry we offer a range of services that include field design, construction and maintenance. Services are offered for soccer fields, baseball fields and golf courses, offering both options of natural and synthetic turf.
